

BIOGRAPHY

PATRICIA S. KIMMEL

Patricia Kimmel is the President/CEO for the Belvoir Federal Credit Union located in Fort Belvoir, Virginia. The credit union serves over 29,000 members worldwide. Belvoir Federal is a multi-group credit union that serves members of our U.S. Armed Forces, civilian Department of Defense employees, their families, an underserved area and over 300 select employee groups. The credit union serves with four full-service branches, thirteen ATMs, participation in several nationwide ATM networks, shared branching and a 24/7 call center.

Patricia has worked in the credit union movement for over 27 years and has extensive experience with lending, operations, management, technology and finance. She has had the opportunity to work and consult with the various Washington Metropolitan Area Credit Union Leagues, the NCUA and credit unions in asset size ranging from \$400,000 into the multi-million dollar range.

She served as President of the Northern Virginia Managers Association, President of the Northern Virginia Chapter of Credit Unions, Board member for the Credit Union Service Company of Virginia, LLC and Board member for the Metropolitan Area Credit Union Management Association. Currently, she serves as Secretary of the CUSO Development Company/Members Advantage Mortgage, Vice Chair for UniTrust Financial Services CUSO, LLC, and as member participant for various NAFCU, DCUC and VCUL committees. She also serves in the community as President of the Orange Hunt Estates Civic Association (OHECA), past Treasurer for OHECA and served as Activities Chair and Co-Chair for several All Night Graduation Parties.

Patricia graduated with a Bachelor of Science in Finance from Stetson University, Deland, Florida. She has three children and resides in Northern Virginia.
